Sustaining Success: Maintenance and Infrastructure Essentials for Manufactured Housing Communities in California

Join us for an informational webinar. Our presenters will discuss managing and maintaining manufactured housing communities in California which present unique challenges. This webinar equips parkowners and managers with the essential knowledge to maintain a thriving community. Learn about key infrastructure components, regulatory compliance, and effective maintenance strategies to ensure long-term success and operational efficiency.

Attendees will be able to ask questions toward the end of the webinar.

Participants will earn six units of MCM credits. Webinar will be 1.5 hours in duration.

All details can be found at wma.org/febwebinar2025.
